## In Plant Training at CMRL

As a part of In plant training at CMRL for imparting information and knowledge to engineering college students for learning and understanding , especially on tendering and bidding process being a new subject for the engineering students.

Presentations were made for the students of following Engineering colleges on Processing of Tenders on various dates.

- ✱ 07th June 2017 - Shri Venkateshwara Engineering College.
- ✱ 16th June 2017 - Kongu Engineering College, Saveetha college, SSN college and SRM University
- ✱ 22nd June 2017 - Eshwari Engineering college and RMK College of Engineering.

The presentation consisted of a brief overview of tender process, types of tenders, details of standard bid documents, Earnest Money Deposit, Performance security and roles & responsibilities of tender opening committee, tender evaluation committee and certain do's & don't's of pre-award & post-award of tenders
