MINISTRY OF URBAN DEVELOPMENT  
GOVT. OF INDIA**

**Thiru Pankaj Kumar Bansal, I.A.S.,  
MANAGING DIRECTOR  
CHENNAI METRO RAIL LIMITED**

## Trail run commenced between Little Mount and AG-DMS

The underground construction works of the Chennai Metro Rail Limited Corridor 1 between Little Mount and AG-DMS is stirring a buzz with the first trail run on 20.07.2017 with the senior officials of CMRL attending the flag-off. The locomotive was taken on a trial ride on the down-line stretch of around 4km. After this trail run, round the clock work is going on in Up-Line. Also, the entire team is excited, as a major section of underground corridor serving the Mount Road will be ready soon.

Subsequent trial run with Metro trains in this stretch shall start after completion of system works, which are in advance stage. Integrated trials followed by System integration tests will be conducted during the trials to get the stretch ready for operations.

CMRL commenced the revenue operations in its first underground section in May 2017 and now is working in completing the works for extending the services along the arterial roads of Chennai, which serve as the lifeline to the city with traffic congestion being a way of life. Soon, Metro is expected to decongest the Mount road and restoration works are being taken up.

Apart from completion works of the installation of various systems including Tunnel Ventilation, HVAC, Signaling, Platform Screen Doors, Automatic Fare Collection (AFC) gates, the final lap of finishing work on the underground Metro stations at AG-DMS, Teynampet, Nandanam and Saidapet too is underway.

## Underground Sections & Tunneling Work Progress as on 31.07.2017

## Educational trips for Government School Students

In an attempt to bring awareness to the students of Government Schools across the Metro Rail alignment in the city, CMRL has planned a monthly educational trip from Nehru Park to Airport for the students. The students will be explained the features of the Metro Train and its Stations during the trip.

The educational trips commenced from 13.07.2017 and a total of 1500 students from Government and Corporation Schools have taken this education trips till 31.07.2017.

Students along with their teachers from Chennai Girls Higher Secondary School, Pulla Avenue, Shenoy Nagar, ICF Colony Primary Schools, Silver Jubilee Nursery & primary School, Silver Jubilee Matric & Higher Sec School and CHSS Subburayan School participated in this educational trips.

The Students were given a trip from Nehru Park to Airport and were briefed about the several facilities provided by Metro Rail including various safety features available in the Metro Stations and Trains.
