Press Release

Sub: 33,866 numbers of Passengers utilized the Feeder Services in the month of November, 2018-Reg

As part of providing last mile connectivity to Metro Rail passengers, CMRL had taken an initiative of providing Feeder services through Share auto and Share Taxi services at selected Metro Stations.

In this connection, the last mile ticket fare for Share Auto services was reduced from Rs. 10/- to Rs. 5/- per ticket and for Share Taxi services from Rs. 15/- to Rs. 10/- per ticket from 12th November 2018.

So far, a total number of 33,866 passengers have utilized the Feeder Services from 1st of November 2018 to 30th of November 2018.in which 27,562 passengers have utilized the Share Auto services and a total of 6,304 passengers have utilized the Share Taxi services.

In connection with this an analysis was made post the reduction of fares to compare the before and after effects of revision of fares. The comparison was from 1.11.2018 to 11.11.2018 (before revision of fares) and from 12.11.2018 to 30.11.2018.

From the above a total of 10,274 passengers have utilized this service before the fare revision (01.11.2018 to 11.11.2018) in which 8,339 passengers have utilized the Share Auto services and a total of 1,935 passengers have utilized the Share Taxi services.

After the fare revision (12.11.2018 to 30.11.2018) a total number of 23,592 passengers have utilized the same service in which 19,223 passengers have utilized the Share Auto services and a total of 4,369 passengers have utilized the Share Taxi services.
