Press Release

Educational trips for Government School Students and Government Women Colleges for the academic year 2018-19

In an attempt to bring awareness to the students of Government Schools and Government Women Colleges across the Metro Rail alignment in the city, CMRL has planned monthly educational trips from Central Metro to Airport and AG-DMS to Airport for the students. The features of the Metro Train and its Stations will be explained to the students.

Students from Government and Corporation Schools and Government Women Colleges are being given the educational trips during the academic year 2018-19.
