PRESS RELEASE

Sub: Educational trips for 31,178 students from Government and Corporation Schools provided in the academic year 2018-19– Reg

“A Learning curve is essential to growth”

CMRL supports ensure that children with diverse learning needs should also be provided equal access to a public education.

In an attempt to bring awareness to the students of Government Schools about the metro train across the Metro Rail alignment in the city, CMRL has been undertaking monthly educational trips from Central Metro to Airport, AG-DMS to Airport and Washermenpet to Airport for the students. The features of the Metro Train and its Stations were explained to the students.

Students from Government and Corporation Schools from Chennai and also from Kanchipuram, Thiruvallur and Sivaganga districts were given the educational trips during the academic year 2018-19.

A total number of 31,178 students from around 60 schools travelled in Metro train and were benefitted in the academic year 2018-19.

CMRL will continue to provide the educational tip to students for the academic year 2019-20 as well.
