June 2019

3.81 crore passengers have travelled in Chennai Metro Rail from 29th June 2015 to 14 th May 2019

CMRL commenced its Metro Train operations from 29th June 2015 and has become the lifeline for the people of Chennai. Come rain or shine, CMRL has always endeavored to provide the people of Chennai a safe, efficient and a reliable travel partner for its loyal commuters.

As part of providing world class infrastructure facilities to the people of Chennai, CMRL has come up with several efficient and sustainable initiatives to increase the patronage such as citing availability of parking space at Metro Stations and launching many last mile connectivity measures. like Share Auto, Share Taxi services which are presently available at few metro stations will soon have at all 32 Metro stations.

An incremental increase in the ridership was witnessed by CMRL since the commencement of Metro Train operations. So far a total of 3, 81, 03,799 passengers have travelled in Chennai Metro Between 29th June 2015 and 14th May 2019

The ridership has touched to a mark of 1, 02,790 passengers on 26th April 2019. And a total of 92,917 passengers have travelled on 6th May 2019 and 95,119 passengers have travelled on 10th May 2019.

RO Drinking Water Plant Installed – For Public Use – at Central Metro Station

As part of providing world class infrastructure facilities to the people of Chennai City, CMRL installed RO Drinking Water Plant holding 500 litres capacity at Central Metro Station for the public at free of cost.

The plant has been installed near an entrance at street level of Central Metro Rail Station which is the main junction comprising Suburban Park Station entrance, Puratchi Thalaivar Dr. M.G. Ramachandran Central Railway Station Subway, Chennai Metro Rail entrance and Main Road Bus stand location where all the three different modes train passengers meet.
