CMRL Expands Parking Facilities at Thirumangalam Metro Station for Enhanced Passenger Comfort

To accommodate the increasing passenger demand, Chennai Metro Rail Limited (CMRL) has expanded the parking facilities at Thirumangalam Metro Station. The existing B2 parking has been upgraded to Mezzanine level parking area adjacent to the station auxiliary building. This newly renovated parking can now accommodate an additional 400 two-wheelers.

Currently, the existing B2 parking facility at Thirumangalam Metro Station accommodates 1,000 two-wheelers. The introduction of this additional space will offer greater convenience to passengers, encouraging more commuters to use the metro services with ease and efficiency.

The upgraded parking area was inaugurated by Thiru. B. Gobinath Mallya, Chief Advisor (Operation and Maintenance) of CMRL, in the presence of Thiru. S.K. Natarajan, (Advisor E&M), Thiru. S. Satheesh Prabhu, AGM (Rolling Stock & Operations), along with senior officials and staff of CMRL.
