Sub: Application for License of Spare Optical Fibre in CMRL network.

With reference to this Application, I/we, having examined the Application and understood their contents, hereby submit my/our Application for Spare Optical Fibres of CMRL on License Basis. The Application is unconditional and unqualified.

1. I/ We acknowledge that CMRL shall be relying on the information provided in the Application and the documents accompanying the Application for selection of the Licensee for the aforesaid subject, and we certify that all information provided therein is true and correct; nothing has been omitted which renders such information misleading; and all documents accompanying the Application are true copies of their respective originals.
2. This statement is made for the express purpose of our selection as Licensee for the aforesaid subject. I/ We shall make available to CMRL any additional information it may find necessary or require to supplement or authenticate the Application.
3. I/ We acknowledge the right of CMRL to reject our Application without assigning any reason or otherwise and hereby waive, to the fullest extent permitted by applicable law, our right to challenge the same on any account whatsoever.
4. I/ We declare that:
 - (a) I/ We have examined and have no reservations to the Application Document, issued by CMRL; and
 - (b) I/ We do not have any conflict of interest in accordance with provisions of the Application; and
 - (c) I/ We have not directly or indirectly or through an agent engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice, as stipulated in the APPLICATION, in respect of any Application or request for proposal issued by or any agreement entered into with CMRL; and

- (d) I/ We hereby certify that we have taken steps to ensure that in conformity with the provisions of the Application, no person acting for us or on our behalf has engaged or shall engage in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice.
5. I/ We understand that CMRL may cancel the Application Process at any time and that you are neither bound to accept any Application that CMRL may receive nor to invite the Applicant to Application for the above subject, without incurring any liability to the Applicant, in accordance with provisions of the Application.
6. I/ We acknowledge and undertake that I/We fulfil the Technical Requirements. I/We have enclosed necessary documents in support of the Technical Requirements in the manner prescribed in Application.
7. I/We undertake to give full compliance to Technical Parameters of DoT, TRAI and other statutory authorities.
8. I/ We hereby irrevocably waive any right or remedy which we may have at any stage at law or howsoever otherwise arising to challenge or question any decision taken by CMRL in connection with the selection of the Applicant, or in connection with the Application Process itself, in respect of the above mentioned subject License and the terms and implementation thereof.
9. In the event of my/ our being declared as the Selected Applicant, I/we agree to enter into a License Agreement in accordance with the draft that has been provided to me/ us prior to the Application Due Date through this Application. We agree not to seek any changes in the aforesaid draft and agree to the same.
10. I/ We have studied all the Application Documents carefully and also surveyed the CMRL stations. We understand that except to the extent as expressly set-forth in the License Agreement, we shall have no claim, right or title arising out of any documents or information provided to us by CMRL or in respect of any matter arising out of or relating to the Application Process including the award of License.
11. I/ We offer Earnest Money Deposit to CMRL in accordance with the Application. The documents accompanying the Application, as specified in Application, have been submitted in a separate envelope.
12. I/ We agree and understand that the Application is subject to the provisions of the Application Documents. In no case, I/we shall have any claim or right of whatsoever nature if the license as mentioned in above subject is not awarded to me/us or our Application is not opened or rejected.
13. The application submitted by me/us after taking into consideration all the terms and conditions stated in the Application, draft License Agreement, addenda /corrigenda, our own estimates of costs and after a careful assessment of the site/fibres and all the conditions that may affect the project cost and implementation of the project.

14. I/We shall be charged License fee and other dues as specified in Draft License Agreement. The LICENSEE hereby shall waive all claims for damages which may be caused by the re-entry of CMRL and taking possession of the Licensed Premises or removing or storing the furniture and property as herein provided and shall save CMRL harmless from any costs or damages occasioned CMRL thereby, and no such re-entry shall be construed to be a forcible entry. CMRL shall continue to reserve the right to enter into a separate license agreement for the said premises without any obligations or rights towards the original LICENSEE.

53.0 In case, Licensee is a Consortium, there shall be no change in Consortium's proposed shareholding structure as mentioned in the submitted Application, till the Completion of tenure of License agreement. If there are changes in the consortium structure before Completion of the tenure, the Licensee must take prior approval of CMRL.

54.0 **Dispute Resolution**

54.1 **Negotiation and Amicable Settlement:** In the event of any dispute in connection with or arising out of this Agreement between the parties ("Disputes"), the parties shall firstly attempt to amicably resolve such disputes through the highest level of negotiations and discussions.

54.2. **Adjudication:**

54.2.1 If any dispute between the parties is not resolved through negotiations and amicable settlement, either party shall give notice in writing to the other party of its intention to refer such dispute to Adjudication.

54.2.2 The sole-member Adjudicator shall be nominated by the Managing Director of the Licensor (CMRL) at his discretion. He may also be an officer of CMRL, not below the rank of General Manager, but one who has not dealt with the subject contract or disputed matter. The remuneration of the Adjudicator shall be fixed by the Managing Director of CMRL and shall be shared by both the parties. The Adjudicator shall reach

a decision within 30 days or such period as agreed between the parties from the date of reference of the dispute.

54.2.3 If either party is dissatisfied with the Adjudicator's decision, then the party, on or before 30 days on receipt of such decision, shall notify the other party of its dissatisfaction, and its intention to refer the dispute to Arbitration, failing which the decision of the Adjudicator shall be final.

54.3. **Arbitration:** The dispute so referred shall be settled by Arbitration and the parties agree on the following procedure for appointing the Arbitrator / Arbitrators:

54.3.1 **In case the value of the disputed claim and counter claim is Rs.5 crore or less:**

The dispute shall be referred to a sole-member Arbitral Tribunal. Such sole-member shall be nominated by the party seeking arbitration from the List of Arbitrators, maintained by the Licensor, consisting of independent persons to be nominated as Arbitrators, who shall meet with the requirement relating to the independence or impartiality of arbitrators referred to in the Fifth and Seventh schedules, read with Section 12, sub-sections (1) (a), (b) and (5) of the Arbitration and Conciliation Act, 1996 as amended by the Arbitration and Conciliation (Amendment) Act 2015.

54.3.2 If the party seeking Arbitration is the Licensee, such proposal shall be addressed to the Licensor and the Licensor shall, within fifteen days from the date of receipt of such proposal, send the list of Arbitrators maintained by the Licensor, referred in clause 54.3.1 above, to the Licensee. The Licensee shall nominate an arbitrator from the list within fifteen days from the date of receipt of the list from the Licensor. If the party seeking Arbitration is the Licensor, it shall forward such proposal to the Licensee along with the nomination of an Arbitrator from the list referred to in clause 54.3.1 above.

54.3.3 If either party fails to nominate the arbitrator within the prescribed time limit, as mentioned above, then such other party, after the expiry of the prescribed time limit, has the right to nominate the Arbitrator from the said list on behalf of the party failing to nominate.

54.3.4 **In case the value of the disputed claim and counter claim is more than Rs.5 crore:**

The dispute shall be referred to an Arbitral Tribunal comprising of three members. Either party may propose to the other party for referring the dispute to Arbitration. If the proposal is initiated by the Licensee, such proposal shall be addressed to the Licensor and the Licensor shall, within fifteen days from the date of receipt of such proposal, send the list of Arbitrators maintained by the Licensor, referred to in clause 54.3.1 above, to the Licensee. The Licensee shall nominate an arbitrator from the list within fifteen days from the date of receipt of the list from the Licensor. The Licensor (CMRL) shall nominate its Arbitrator from the said list within 15 days thereafter.

54.3.5 If the proposal for referring the dispute to Arbitration is made by the Licensor to the Licensee, it shall forward such proposal to the Licensee along with the nomination of its Arbitrator from the said list. The Licensee shall, within fifteen days of receipt of the list from the Licensor, nominate its arbitrator from the list.

54.3.6 If either party fails to nominate its Arbitrator within the prescribed time limit as mentioned above, after the nomination by the other party, then such other party, after the expiry of the prescribed time limit, has the right to nominate the arbitrator from the said list, on behalf of the party failing to nominate.

54.3.7 The two arbitrators nominated by the licensee and the licensor as above, shall appoint the Presiding Arbitrator from the list referred in clause 54.3.1 above, by mutual consultation among themselves, within 15 days of the appointment of the second Arbitrator.

54.3.8 If no consensus is reached within 15 days regarding the appointment of the Presiding Arbitrator, either party may apply to the Designated Court referred to in the Arbitration and Conciliation Act, 1996 as amended by the Arbitration and Conciliation (Amendment) Act 2015 for the appointment of the Presiding Arbitrator.

54.4. The parties agree that the selection and nomination of Arbitrators from the list should be based on the nature and subject matter of dispute to be adjudicated upon, that is, the nominated Arbitrators shall have sufficient knowledge and experience to decide upon the disputed matter. In case of three-member Arbitral Tribunal, it shall also be ensured by the nominating parties / Arbitrators, as the case may be, that at least one member of the Tribunal shall be a legal professional with a minimum of 20 years of experience.

54.5. In the event of an arbitrator dying, neglecting or refusing to act or resigning or being unable to act for any reason, it shall be lawful to appoint another arbitrator in place of the outgoing arbitrator in the manner aforesaid.

54.6. Subject to aforesaid, the Arbitration and Conciliation Act 1996, as amended from time to time and the rules thereunder and any statutory modifications thereof for the time being in force shall be deemed to apply to the arbitration proceedings under this clause.

54.7. During the pendency of arbitration / conciliation proceedings, the Licensee shall continue to perform and make payments due to CMRL as per the License agreement.

54.8. The venue of the arbitration shall be Chennai. All proceedings of such arbitration shall be in the English language. The cost of Arbitration including the fees of the Arbitrator shall be borne equally by both the parties.

54.9. Jurisdiction of Courts: The Courts at Chennai shall have exclusive jurisdiction to adjudicate any claim, dispute or matters arising out of this Agreement.

54.10. **Governing Law:** - This Agreement will be construed by and governed in accordance with the laws of India. The Parties submit to exclusive jurisdiction of the courts of Chennai.

55. Notices: - That any notice under the terms of this License shall be in writing by registered post / Speed Post /delivered personally and signed by the party or his/its duly authorized representative giving such notice. All activities including day to day management, billing, cancellation / termination / surrender etc. shall be carried out from the office of the Advisor (Signal) CMRL or by his duly authorized representative. Annexure-V

Rules and Guidelines for Release of Electric Power

1. Electrical power required for commercial activity within footprint of metro station is required to be sourced from existing available source of CMRL at stations. Availing power supply from outside agencies in CMRL is not permitted. The disbursement of power at different stations shall be dealt with individually under separate connections.
2. The power supply connection released for commercial activity shall be from the available CMRL power network, which is reliable having adequate redundancy.
3. Licensee may provide split ACs at his own cost conforming to detailed specifications attached at Annexure- V (A). However, if the Licensee requires to provide any other type of AC system such as VRV, Central Plant, etc., the same shall be provided with prior approval of CMRL.
 - a) Electric Power available at low voltage switch gear room in one of the feeder at Main Panel. Internal distribution with metering arrangement to be done Licensee with approval from CMRL.
 - b) CMRL provides power supply to nearest point and the actual consumption charges to be paid to CMRL based on rates prescribed by the TANGEDCO on time to time basis.
4. Supplying and laying including end termination of suitable size (rating suitable for allowable electric load) LT FRLS cable (from source to nearest point) as per standard specifications.
5. At the end of the contract (pre-mature surrender/termination, natural completion, etc.) all cable, electric meter, connected software, etc. shall be sole property of CMRL. The Licensee voluntarily and unequivocally agrees not to seek any claim, damage, compensation or any other consideration whatsoever on account of time and costs associated, in making provision of electricity.
6. Power Supply will be given after ensuring all safety compliance and completion of electrical and fire safety works in licensed premises in all respect.
7. During tenure of temporary power supply Rs.100/- per week per KW or part thereof shall be charged over and above applicable tariffs.
8. Tariff: Rate of electricity shall be charged from Applicant at which concerned TANGEDCO would be charging, had they obtained electric connection from them.
9. Only Galvanized Cable tray, Conduit, Cable Ladder shall be allowed.
10. Internal wiring of luminaries (Light Fittings) and Signages in signage's panel shall also be FRLSZH in case of UG stations.
11. All Plastic accessories used in luminaries shall be non-flammable material, meeting all the NFPA requirements, preferable by UV and shall be suitable for application at UG station conforming to UL – 94 standards on flammability of material.

Annexure- A

Specification of Air Conditioner

Split type air conditioners conforming to IS:1391(Part-2)-1992 with amendment No.1 fitted with hermetically sealed air compressor operating on refrigerant R-32 / R410A suitable for wall mounting and conforming to following specifications. Split AC shall be preferably five star rated. Approved makes are Hitachi / O-general / Daikin / Carrier.

General Technical Requirements

1. Air conditioners shall be suitable for 230V, 50 Hz single phase AC supply, capable of performing the functions as Cooling, Dehumidifying, Air circulating and Filtering.
2. The air conditioners shall be fitted with hermetically sealed type suction cooled reciprocating or discharge cooled rotary compressor (as applicable), compressor unit operating on Refrigerant R-32 / R410A with suitable rated capacitor start electric motor. It shall be equipped with overload protection. These shall be mounted on resilient mountings for quiet operation. The compressor shall conform to IS:10617 part (1)-1983 (amendment 1 &2). Rotary compressor shall be covered by manufacturers test certificate.
3. The air conditioners shall be complete with automatic temperature control and cut - in and cut-out etc. for temperature range 16 degrees to 30 deg. C. The differential of the thermostat for cut-in and cut-out shall not be greater than +/- 1.75 deg. C. The Air conditioners may either be provided with adjustable step less type mechanical thermostat or electronic thermostat as per IS:11338:1985.
4. The filter pads provided shall be washable.
5. The cabinet of the evaporator unit and condensing unit shall be made from galvanized steel sheet of 1.0mm thick with galvanized coating thickness of 120 gm / sq. mtr and shall be provided with stiffness for robust construction and shall have rounded corners, steel parts/front panel etc. shall have stove-enameled finish preceded by undercoat of anticorrosive primer paint phosphating and through cleaning of the surface. Alternate methods of corrosion protection like plastic powder coating, electrostatic paintings are also acceptable in lieu of stove enameled finish.
6. Overall power factor of the unit shall be at least 0.85 at capacity rating test conditions.
7. Maximum power consumption of the split air conditioners shall be at capacity rating

test conditions.

- 8 Galvanized sheet shall conform to IS:277/2003.
- 9 Standard evaluation of cooling capacity shall be done by connecting indoor and outdoor units with piping of 5 mtrs. length with six bends of standard radius. Connecting copper tubing shall have dimensions suitable for the compressors offered with model.
10. Refrigerant used shall be R-32 / R410A.
11. Inbuilt protection in IDU against electrical faults shall be provided. Compressor current shall not flow through Indoor units.
12. The indoor units made of ABS/HIPS shall be of flame retardant and impact resistant life. ABS/HIPS indoor unit cabinet shall pass inflammability test requirement for Grade V-O as per UL-94. For impact resistance the unit duly packed, when dropped from a height of 1 Mtr. shall show no damage.
13. Display shall be LED/LCD and provided on indoor unit or on Handset or on both. These displays shall be selectable.
14. Remote control (Cordless) shall be provided with one On/Off timer, selecting Fan speed (Three speeds) and setting up of temperature.
15. Outdoor units noise level to be within 70+/-5db at 1 meters distance.
16. Layout plan of locating outdoor and indoor AC units with interconnecting copper pipes to be submitted to CMRL for approval.
17. Proper barricading of Outdoor units should be provided so that it will not cause any inconvenience to commuters.
18. Responsibility of safeguarding indoor, outdoor units with copper refrigerant pipes lies with Licensee and CMRL is not responsible for any damage/ theft of the same.
19. The condensate drains from various indoor units to be properly interconnected to reach the station main drain such that it doesn't litter around station premises.
20. The Licensee to make good of the walls while breaking for any installation of copper/ drain pipes.
21. Installation of pipes, Insulation and cables beyond 6Mtrs, if required:
 - i. Suction line copper pipe of 0.70mm thickness.
 - ii. Liquid line copper pipe of 0.70mm thickness.
 - iii. Expanded polyethylene foam or other suitable insulation tubing for suction line

copper pipe.

- iv. Drain pipe (15mm dia flexible PVC pipe).
 - v. Suitable capacity 2 core PVC insulated copper wire 2.5mm to electrically connect both the units with each other.
22. Installation: Location of ODU is to be finalized after approval from CMRL. The installation at site shall comprise the following work:
- i. Mounting/Fitting indoor & outdoor units at the respective locations.
 - ii. (Laying refrigerant piping and connecting both the units after drilling hole/holes in the wall, if required. The thickness of the copper tubing shall not be less than 0.70mm.
 - iii. Insulating the suction pipe with expanded polyethylene foam 5mm tubing or other suitable.
 - iv. Laying 15mm drain pipe to throw out the condensate water being formed in the indoor unit and connecting it to station drain.
 - v. Leak testing the entire system.
 - vi. Charging Refrigerant gas in the unit.
 - vii. Suitable electric wiring between indoor and outdoor, up to switch AT location of indoor unit. Switch/Socket/Plug is also included.
