

**P.R.No.73/2025**

**Date: 11.09.2025**

**Press Release**

**Temporary Changes in Train Services on the Green Line  
due to Phase–2 Construction Works**

Due to the ongoing Phase–2 construction works above Vadapalani Metro Station, Metro train services on the Green Line between Koyambedu and Ashok Nagar will be temporarily modified from 15.09.2025 (Monday) to 19.09.2025 (Friday).

1. No service change in the Blue Line schedule or frequency (Wimco Nagar to Airport via AG-DMS).
2. On the Green Line (between 05:00 am and 06:00 am only on the above-mentioned days):
  - Regular Metro train service will be operated at a 14-minute frequency between St. Thomas Mount and Ashok Nagar.
  - Regular Metro train service will be operated at a 14-minute frequency between Airport and Ashok Nagar.
  - Regular Metro trains will be operated at a 7-minute frequency between Puratchi Thalaivar Dr. M.G. Ramachandran Central Metro and Koyambedu Metro Station.

**The following temporary arrangements are being made between Koyambedu and Ashok Nagar Metro Stations from 05:00 am and 06:00 am between 15.09.2025 (Monday) and 19.09.2025(Friday) are as follows:**

- Metro Train Service will be temporarily suspended from 05:00 am and 06:00 am between 15.09.2025 and 19.09.2025 only.
- To assist passengers during the said time, a dedicated feeder service between these two stations will be operated every 10 minutes between 05:00 am and 06:00 am.
- After 06:00 am, the regular Metro train schedule (weekday/Saturday/Sunday timetable) will be followed across both Green and Blue Line.

CMRL regrets the inconvenience caused and requests passenger's cooperation during this period. These temporary changes are essential to ensure the smooth and timely progress of Phase–2 construction works.

For further information and updates, passengers may contact Customer Care at 1860-425-1515 or visit or visit [www.chennai-metro-rail.org](http://www.chennai-metro-rail.org).
