Chennai Metro Rail Limited Wins Global Sustainable Urban Mobility Project of the Year 2025 at The GEEF Global Sustainability Award 2025

Chennai Metro Rail Limited (CMRL) has been honoured with the Global Sustainable Urban Mobility Project of the Year 2025 at the Global Sustainability Awards 2025, organised by The Global Energy and Environment Foundation (GEEF). The award was presented to CMRL officials during the Global Sustainable Development Summit 2025, held on November 20, 2025 at ITC Maurya, New Delhi.

In a felicitation ceremony held at MetroS, the award was formally handed over to Thiru. M. A. Siddique, Managing Director, CMRL, in the presence of senior officials, including Thiru. T. Archunan (Director – Projects), Dr. Rajeev K. Srivastava (Chief Advisor – Environment), and other dignitaries.

CMRL has consistently advanced sustainable mobility by integrating a wide spectrum of environmentally responsible practices into its project development. These initiatives include scientifically planned compensatory plantation, robust dust mitigation systems, continuous noise and vibration monitoring and control, and the adoption of eco-friendly and sustainable construction materials across project sites.

This recognition reinforces CMRL's commitment to building a greener, safer, and more sustainable urban transport ecosystem for the city of Chennai.

It is also being highlighted that CMRL is the recipient of the Global Sustainability Award in 2024 marking CMRL's perseverance towards its sustainability goals.
